Race To The Finish

I would like to thank all of you who sponsored me in this year's 'Flora Women's Marathon'. It was a fantastic day and very empowering to be part of this wonderful event that raises so much money for very worthy charities.

I won't be here for this year's Montessori Class Graduation and would like to say a sad farewell to all of these beautiful children.

Thank you for choosing Butterflies Crèche & Montessori and I wish each and every one of you the very best that life has to offer!

Cathy xx

Goodbye To Some Hello To Others

It's almost time to say goodbye to our Montessori Butterflies who graduate on June 27th & 28th and move on to 'Big' School. We will miss you all but are enjoying the excitement of those who will be 'moving up' in September. We would also like to give a big 'welcome' to our newest staff member, Hazel, who will be joining us full- time in September.

Happy Father's Day this Sunday, June 16th

Reminders

- 27th & 28th June, Montessori Graduation Day
- Places are almost full for September, so if you haven't already confirmed your spot contact Maggie as soon as possible!

Maggie & Lisa

Baby Room

We are very busy making and decorating our cards for our dads on Father's Day. The end of this month will bring mixed emotions, as some of our toddlers will be moving on to the Early Learning Room. So happy to see them making this transition but sad to let them go.

Montessori Rooms

During the month of June we will continue to learn about road safety and the 5 most important steps before crossing the road (hold hands, stop, listen, look and think!). Encourage your children to practice these very simple steps and to keep singing our safe cross code song.

This week has been full of arts & crafts for Father's Day and there will be many fun days (Pajama Day, DVD Day etc.) leading up to our Graduation Days on the 27th & 28th June.

Charmaine & Rachel

Pre-Montessori Room

We have been continuing to practice our numbers & shape recognition in preparation for the big move to Montessori for some. Working in smaller groups (our 'Busy Bees') has been a great success and the extra attention is paying off. Our pincer grip is improving as well as overall ability to follow instruction!

Louise Hurley & Susan

Toddler/Early Learning Room

We have come to the end of this term and our summer term begins with our programme changing pace. We will continue to learn because we are like sponges but our learning environment will change. Learning is always fun and Louise will make sure this summer will be fun fun fun for everyone! We will learn through play and games. Hope all you dads enjoy 'Fathers Day' and each child's special gift to you.
